Dear Sir,

As we discussed, this is to inform you that we are hiring for contractual employees FY'18 and attached is the job description for the requirement. This is an opportunity for students who have minimum 6 months to 2 years of experience and are willing to work in IT Industry on contract for 6 months. However, absorption as employee post contract will depend on the business requirement & performance during the period. Please refer to the below details:

- **This will be 6 months contractual job.**
- **Students will be hired as Associate Engineer.**
- **The experience required is min 6 months to max 2 years.**
- **The monthly salary payable to them will be – INR 10,000 approx**
- **Preference will be given to M.Tech/M.Com/MCA alumni's.**
- **If they will be absorbed then the package offered will be 3.7 Lacs approx.**
- **There absorption after 6 months will be entirely dependent upon their performance and per the business need. No prior commitment for the same.**

Please share relevant resumes with us at the earliest so we can shortlist and conduct a drive in our company. Basis our evaluation we will confirm you the date of interview.

Regards,
