### **About Vivo, Greater Noida**

A young global smartphone brand focusing on introducing perfect sound quality and ultimate photography with cutting-edge technology, Vivo develops dynamic and stylish products for passionate young people. It develops and manufactures smartphones, smartphone accessories, software, and online services. Founded in 2009, Vivo has quickly expanded into markets in India and South East Asia. At Vivo we are dedicated to the pursuit of perfection and continuously creating surprises for users through constant innovation. Pioneering the use of Hi-Fi audio chips in smartphones, Vivo created the very first smartphone with a dedicated Hi-Fi chip, the X1. Since then Vivo has remained committed to providing the very best possible audio experience to customers.

The 30,000 square meter production facility, located at World Trade Centre, is Vivo's 7th largest assembly facility outside China. The assembly unit has a maximum production capacity of 1 million smartphones per month, which can be further increased as per future requirements.
