

# Invite for University College Of Engineering, Punjabi University students to Hack-A-Thon

I am Aayushi from Internshala, the world's largest internship and trainings platform.

I would like to inform you that we have launched Hack-A-Thon - an Ethical Hacking online contest (see details [here](#)).

## About the Hack-A-Thon

In this contest, the participants would be-

- Provided with access to Internshala online Ethical Hacking training
- Learning to perform security audits in a safe & secure environment in a virtual lab
- Preparing a project report based on which the top performers would be rewarded with exciting cash rewards

Please note- Any college student can participate. They don't need any previous knowledge of Web Development or Ethical Hacking. Registration fee is Rs.1349/-

**Rewards:** 1st Prize: Rs.35,000/- | 2nd Prize: Rs.20,000/- | 3rd Prize: Rs.10,000/-

**Link to register -** <http://bit.ly/is-hackathon> (registrations have already begun)

**Deadline:** 6th February

We would like to invite the students of University College Of Engineering, Punjabi University to participate in the contest and your students so that they can benefit from this great learning opportunity. Also, you may put up this poster (download [here](#))

Please feel free reply to this email or contact us on +91 844 844 4853 in case of any queries.

Thanks and Regards,
